

# Transform Senior Living Finance

Automate Financial Planning and Analysis

Increase your forecast accuracy and deepen your analysis with Prophix. Our cloud-based Corporate Performance Management platform aligns your data with your budgets and forecasts, giving you the flexibility to analyze your entire business. Better support your communities by transforming your manual spreadsheet-based processes.

“By designing, implementing, and launching the project within Prophix, Mission Health Communities saved over \$200,000 in avoided personnel costs. With Prophix, the company has the business agility to quickly launch new business lines and facilities as back-office friction is reduced”

– Gino L’Altrella, Director of Financial Planning & Business Analytics, Mission Health Communities
