**26%**
OF FACILITIES REPORT
A DECREASED BUDGET

**69%**
FACE STAGNANT OR SHRINKING
BUDGETS OVERALL

**46%**
OF FACILITIES MANAGE TWO
OR MORE DINING VENUES ON
THE SAME CAMPUS

## Why MealTracker is the perfect sidekick for your senior dining services

**1** **FINANCIAL SUSTAINABILITY:** Automated cost analysis, inventory management, and budget tracking to help control costs.

**2** **CUSTOMIZATION AND FLEXIBILITY:** Personalized menus that adapt to the unique preferences and dietary requirements of residents, improving satisfaction and compliance.

**3** **OPERATIONAL EFFICIENCY:** Automated routine tasks such as menu planning and inventory, reducing the burden on staff and improving workflow.

**4** **INTEGRATION CAPABILITIES:** Streamlined integration with other systems, helping ensure smooth operations and data consistency across services.

**5** **SEAMLESS ADAPTABILITY:** Tailored menu planning across diverse dining settings, whether one dining center or multiple venues, for efficient planning and production.

From budget management to detailed menu customization, MealTracker can help improve both operational efficiency and resident satisfaction. Discover how you can transform your dining services management with the right technology.
